contractor, agent, representative or other individual associated with an IPA firm only if such individual is specifically named and given notice of the proposed action and an opportunity to respond in accordance with this part.

§ 1641.4 Duration of debarment, suspension and removal.

A debarment, suspension or removal is effective as set out in the debarring official's decision to debar, suspend or remove, issued pursuant to § 1641.22.

(a) *Debarment.* (1) Debarment generally should not exceed three years, but may be for a shorter period based on a consideration of the evidence presented by the IPA. Debarment may exceed three years in extraordinary circumstances.

(2) If a suspension precedes a debarment, the suspension period shall be considered in determining the debarment period.

(3) The debarring official may extend an existing debarment for an additional period if the debarring official determines, based on additional facts not previously in the record, that an extension is necessary to protect LSC funds. The standards and procedures in this part shall be applied in any proceeding to extend a debarment.

(b) *Suspension.* (1) The debarring official may determine that a cause for suspension exists, but that an investigation or other legal or debarment proceeding should be completed before proceeding to a debarment. Suspension shall be for a temporary period pending the completion of an investigation or other legal or debarment proceedings, including a proceeding conducted by the OIG, a law enforcement or other government agency, an investigative or audit official from another OIG, a court, or a state licensing body or other organization with authority over IPAs.

(2) If debarment proceedings are not initiated within 12 months after the date of the suspension notice, the suspension shall be terminated unless an official or organization conducting a proceeding referred to in paragraph (b)(1) of this section requests its extension in writing. In such cases, the suspension may be extended up to an additional six months. In no event may a

suspension be imposed for more than 18 months, unless debarment proceedings have been initiated within that period.

(3) The OIG shall notify the appropriate official or organization conducting a proceeding referred to in paragraph (b)(1) of this section, if any, of the suspension within 10 days of its implementation, and shall notify such official or organization of an impending termination of a suspension at least 30 days before the 12-month period expires to allow an opportunity to request an extension.

(4) The limit on the duration of a suspension in paragraph (b)(2) of this section may be waived by the affected IPA.

(c) *Removal.* Removal shall be effective for the years remaining on the existing contract(s) between the IPA and the recipient(s).
